Special Note: We want to inform you, due to the COVID-19 Pandemic, our International Director authorized that every monetary gift will be used to buy groceries, as this is the greatest need at this time. We want to thank you for blessing our children and their families with your gifts. We also want you to know that as security measures our Director authorized to our LW staff to deliver the gifts in children's houses and to do not take photo of your child with the gift in order to ensure health and well-being of your child, his/her family and our staff.
