

Lord's Prayer

Let's make invitations.

Since heaven is going to be as exciting as one big celebration, we want to communicate that to all of our friends! Today we will make invitations to give to our friends, inviting them to watch our online Sunday Club.

Fold the construction paper or cardstock in half. On the front, write "you're invited!" On the inside, write the name of your church, the web address (<https://www.youtube.com/watch?v=oCjid6p9emA>) and service time (10am), along with a personal note to a particular friend, inviting them to all the fun times you have in Sunday Club!

Decorate it however you wish, and then place the invitation in an envelope with your friend's name on the front.
