

## Lord's Prayer Craft - Road signs to Heaven

Road signs communicate to us how to get somewhere, and what road conditions may exist.

Here are some examples of road signs that you might see when you're out and about.

Road signs show us the way to go when driving, and the Bible shows us the way to go in life.

We want to point people to Christ, so they can follow his way of living. To help point people in the right direction, make "road signs for life." Use paper and colouring tools to create simple pictures that illustrate the Gospel. For example, write SIN in black and put a red circle with a slash through it around it. Draw a cross with someone kneeling before it and write "Free parking, anytime." Draw a river or a chasm with a cross going across it and write "crossing." Draw a stop sign and write "sinning" under the word "STOP." These are just some examples.

I would like you to get creative with your own ideas. You can share them with me by emailing me a picture to [sundayclub@lochnesschurch.org](mailto:sundayclub@lochnesschurch.org)
