

## **Lord's Prayer Craft**

If you have your own chalkboard or dry eraser board why don't you decorate the border of it with permanent markers or stickers.

The whole point of this craft is to give you a surface you can scribble on and dirty up, then wipe completely clean, just like Jesus completely wipes us clean of our sins. Any hurt that any person tries to mark us with, can be wiped away by us when we forgive.

If you don't have your own chalkboard or dry eraser board you can buy them cheaply online or you make them.

You could also purchase small clipboards and paint them with chalkboard paint. (Practically any surface can be painted with chalkboard paint. For best results, prime the surface with black primer. After applying a few coats of chalkboard paint, rub a piece of chalk all along the surface. This will help the boards erase better in the future.) If you want to make dry erase boards, place white contact paper (sticky shelf liner) over a clip board or other hard surface.

# How 2 pray

THE How...

Forgive us our sins.

as we forgive others...
