

Lord's Prayer Craft

Megaphones

Megaphones are used to shout out loudly and to share a message with others. We want to share the message of Jesus with everyone, and we want to shout our praises to God.

To make these megaphones, use a sharpened knife to cut out the bottom of a paper cup or roll up a piece of paper to make a cone. The bottom part is the mouthpiece of these megaphones. You can decorate the megaphone using markers, crayons, paints, stickers, etc. Why don't you practice at home saying the Lord's prayer through your megaphone?
